Dedication

Dawn Martell

Mrs. Martell has been a teacher at Wilmington High School for 25 years. In the classroom, she has taught almost every Science course at WHS, including Biology, AP Biology, Earth Science, Astronomy, Chemistry, Anatomy, Biotechnology, and Forensic Biotechnology. Mrs. Martell is probably best known for her engaging Forensic Biotechnology class where students solve a fake crime by analyzing a crime scene, evaluating blood and evidence, and asking witnesses questions. In addition to her career as a Science teacher, she has been the advisor of the Local Heroes Club since 2011, which works to honor local servicemen and women. Because of her hard work and dedication, the group has received multiple awards, and has been recognized in local and state ceremonies.

Thank you, Mrs. Martell, and best wishes in your retirement!

To the Class of 2020...

Miss Linda Peters

Principal

In life there are many paths, some of which you will follow and some of which you will forge. During your time here at WHS I have seen you attempt both. Whether your paths are about the academics, the athletics, or the arts, I hope that any path you have followed or forged has led to happiness. I remember many of you as ninth graders and, as I always do when a new class enters the building, I wonder how you will navigate high school. It has been a journey, one that I hope has brought you some joy. You have brought me joy on so many occasions, sometimes just by your warm smiles and pleasant hellos as we pass each other in the halls or when I am visiting your classes. Much of my joy in life comes from being here at WHS with my staff and students.

I know that four years seemed an eternity as you started your life at WHS, and I know that you are now wondering where those four years have gone. I hope that it was a time of wonderful memories – a time which provided you with paths to follow and paths to forge. Please take the time to reflect on your four years and focus on the good times, the positive experiences, the fun you had, the differences you have made.

Sincerely,
Miss Peters

*Mr. Chris Phillips &
Mr. Jonathan Merenda*

Assistant Principals

Congratulations, Class of 2020. We are honored and proud to have been a part of your high school experience. The tradition is for us to leave you with many wise and wonderful words and advice. This is a tradition we have decided to ignore. We feel that on graduation day you will receive countless cards with well wishes and encouraging accolades. We have decided to leave you with a few simple truths. You are ready for the world that awaits. You will struggle and make mistakes. You simply must work hard, be kind and learn from those mistakes. You will find success. Be patient and persistent and be willing to change. We know that you will handle every situation maturely and give it the care and attention it deserves. You are great people, and you'll do great things!

To the Class of 2021 and beyond work hard, be kind and care for others you too will find great things ahead of you.

Sincerely,
Christopher Phillips and Jonathan Merenda
Assistant Principals

Mrs. McConologue & Mrs. Leal

We asked seniors...

What do you think your generation will be remembered for?

Anthony Bowker said,

"Technological advancements and being able to utilize technology to our advantage."

Michael Trodden said,

"I think our generation will be remembered as controversial but strong together to make change."

Alyson Colantuoni said,

"Probably our cell phones and drama."

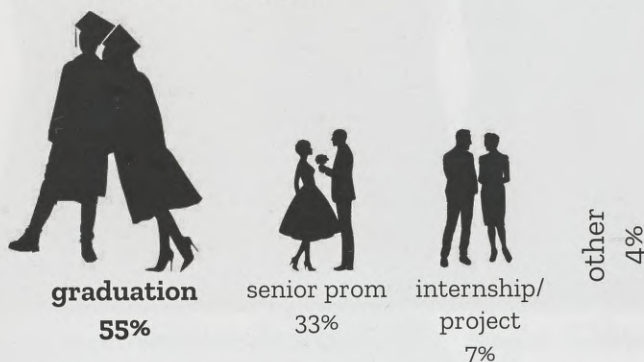

Gianna Misuraca said,

"Taking action in any way we can."

We asked, you answered!

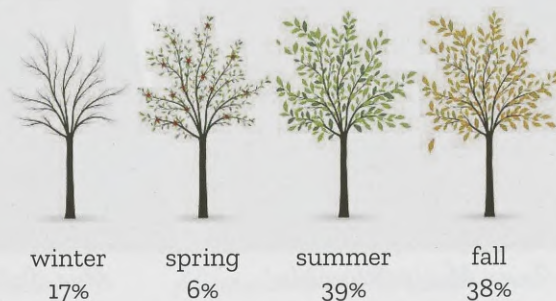

We picked **20** questions to ask the **Class of 2020**. We wanted to hear your thoughts about foods, living in Wilmington, current issues, and much more. 179 seniors answered, and these are the results!

?? What are you looking forward to most about senior year?

Graduation was the event seniors are most excited about! What could be better than a day all about you, celebrating your accomplishments? That's hard to beat!

?? Which is your favorite season?

Summer and fall were almost tied here. We understand. Choosing between the beach and an apple orchard is a tough decision! We love both!

?? What is the biggest issue facing teenagers today?

- 34 students said **vaping**
- 25 students said **mental health/anxiety/depression**
- 18 students said **social media**
- 7 students said **sleep deprivation**
- 6 students said **phones**
- 5 students said **pressure to do well**
- 5 students said **climate change**
- 3 students said **debt**
- 3 students said **procrastination**
- + 70 other answers

We were impressed with the thoughtful answers here. Clearly seniors have a lot on their mind!

?? Do you want to live in Wilmington when you're older?

Most seniors say they are ready to fly the coop, but we're guessing more than 13% of them will end up nearby, and Wilmington will always welcome them with open arms!

?? Is your bedroom at home messy or neat?

Neat

16% Super clean! I'm a neat freak! Everything has to be put away!

47% Not super clean, but organized. I know where everything is.

28% A little messy. Some stuff on the floor.

Messy

10% Pretty messy. I can't see the floor, but it doesn't bother me!

It looks like seniors are pretty clean overall. Hopefully that means they'll be great college roommates next year!

?? Which is better: pancakes or waffles, bacon or sausage?

VS

This was a close one, but pancakes won by 12 votes!

VS

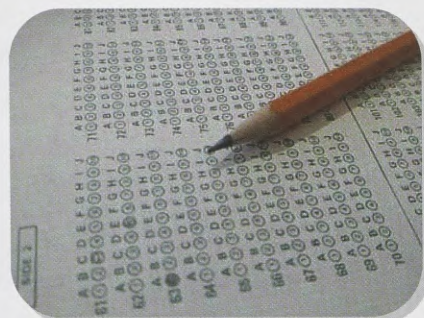

Bacon took an easy lead, winning with 70% of the votes, but 11% of students said they don't like either one.

That means the next time seniors go out for breakfast, chances are one of them will order this combo! Yum!

?? What did you think of SATs?

↔ 50% exactly what I expected
 ↓ 27% harder than expected
 ↑ 11% easier than expected
 5% weren't sure
 7% didn't take it

Most seniors said the SAT was exactly what they expected. Taking the PSAT, practicing on Khan Academy, and paying attention in class probably helped!

?? What app. do you use the most??

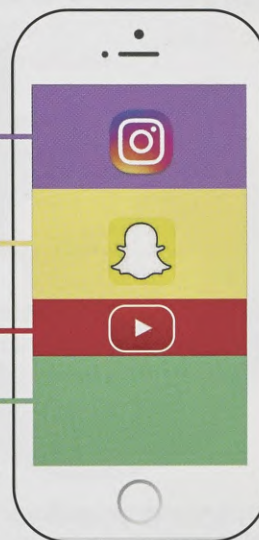

28% Instagram

27% Snapchat

11% YouTube

34% Other

<4% each: iMessage, Twitter, TikTok, Netflix, Sports, Games

Seniors still love Instagram, and Twitter has fallen out of favor. Twitter was created in 2006, Instagram in 2010, and Snapchat in 2011. TikTok was created in 2016 and just made it onto the list this year with 3 votes. It looks like it takes an app. about ten years to come and go. Technology changes so fast!

?? If you could move to another state, which would you choose?

23% California

16% New Hampshire

9% New York

8% Florida

6% Maine

5% North Carolina
 + 21 other states

Seniors named 27 different states for this question, but almost no one went for the Midwest. We're not surprised that the warm states and the New England states were popular; those climates perfectly align with the 77% of seniors who said they prefer summer or fall over any other season.

? Are you a dog person or a cat person?

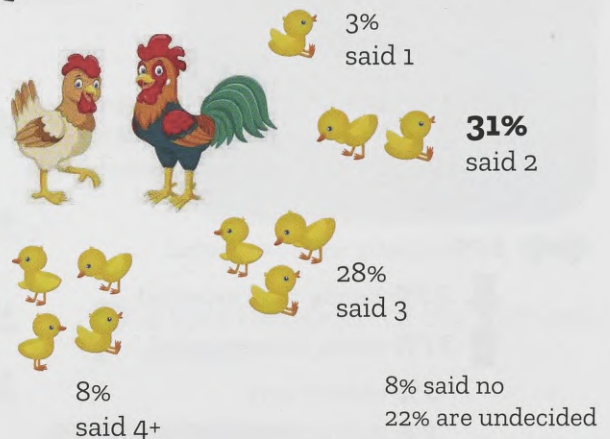

81%

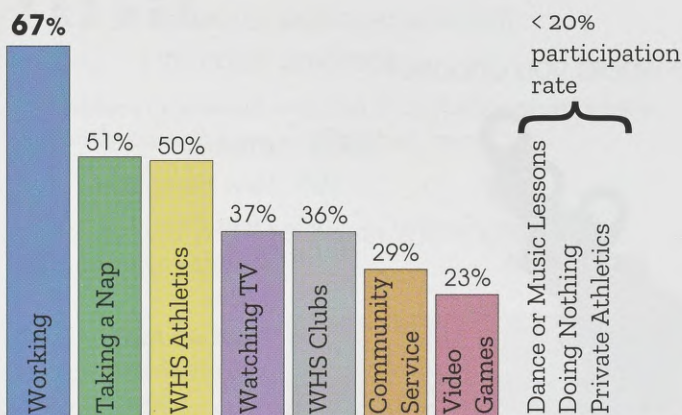

19%

We were a little surprised that this contest wasn't closer, but it just goes to show that dogs really are a man's best friend, and WHS seniors want to be wildcats, not own them!

? Do you plan on having children?

? How do you spend your free time after 2:05 pm?

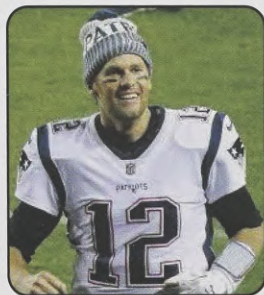

The majority of seniors do multiple activities after school, as shown in the results. We were not surprised to see that two thirds of seniors are working. However, we were quite surprised to see that taking a nap narrowly won for second most popular activity, right next to participating in WHS athletics. Seniors must be exhausted!

? What food do you wish the cafeteria served?

22 students said macaroni and cheese. Chicken broccoli ziti came in second with 8 votes. There were many other food items mentioned. Those with multiple votes included buffalo macaroni and cheese, steak, quesadillas, wings, and ravioli. We're getting hungry!

?? If you could magically become as awesome as Tom Brady at any sport, which would you choose?

14% Running

14% Basketball

14% Soccer

11% Football

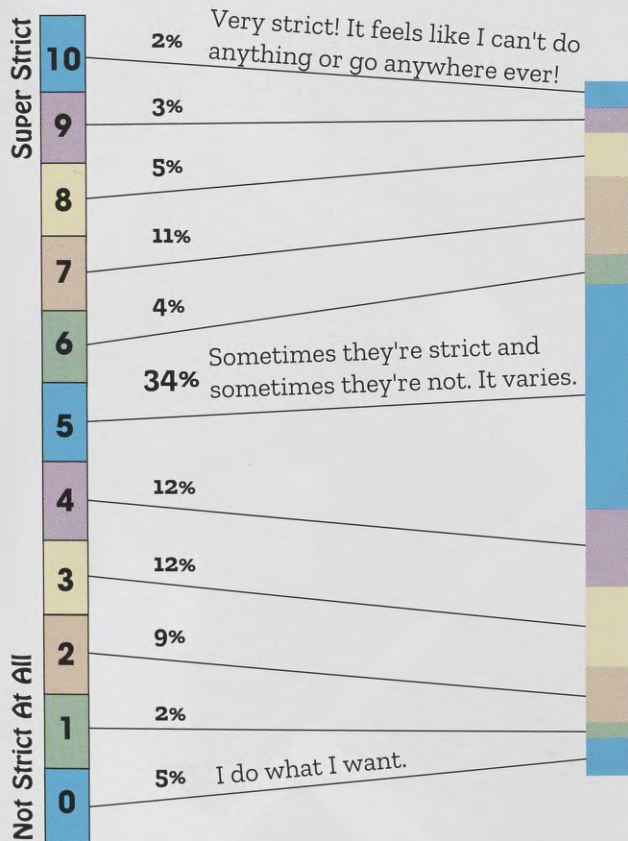

8% Baseball & Softball

4% each Lacrosse / Tennis

Seniors are passionate about many different sports. In addition to the ones listed here, there were many others mentioned including cheerleading, chess, swimming, volleyball, martial arts, gymnastics, field hockey, and track and field. No matter which sport they chose, all seniors can appreciate how awesome it would be to be the GOAT!

?? On a scale of 1 to 10, how strict are your parents?

?? On a scale of 1 to 5, how attached are you to your phone?

On our scale of 1-5, **84%** of seniors answered 3 or higher, and not a single student said they didn't have a phone.

?? What's the best thing at Munchie?

Other top choices:
rice krispy treats
fruit snacks
pretzels

The cookies easily won this one, with **47%** of the votes. There's just something irresistible about cookies fresh from the oven!

We asked seniors...

?? Sometimes people say high school doesn't prepare you for the real world. What topics do you think high schools should teach that would prepare you for the real world?

Maryjane Martin said,

"How to live on my own. I don't need to know what $y=mx+b$ means."

Jake Danieli said,

"How to pay taxes, how to file for loans and financial aid, operating bank accounts. Information about the stock market."

Jimmy Valente said,

"Taxes, getting real world jobs, writing checks, understanding politics."

Tayla Surprenant said,

"How to apply for jobs, how to stay hopeful, how to keep a healthy mindset, laws of Massachusetts and then laws of the United States."

Jocelyn White said,

"How to pay taxes and make a resume, how to do laundry and other household things."

Events

We asked seniors...

? What was the best WHS event you attended during high school?

Gina Bertolami said,
"Special Olympics!"

Sam Ianniciello said,
"The Powderpuff game."

Cory Shinohara said,
"Junior prom."

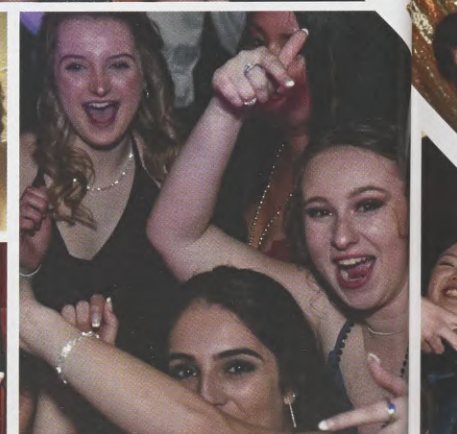

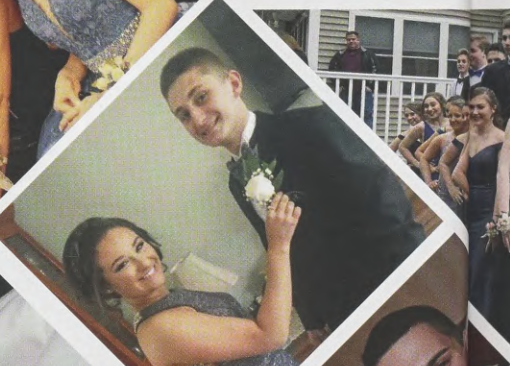

Joseph Accardi said,
"I attended the pep rallies, the home games for football, one play, and one dance. My favorite one was definitely the play."

Junior Prom

April 5, 2019 at Tewksbury Country Club

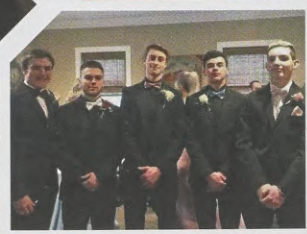

The Class of 2020 hosted their junior prom at the Tewksbury Country Club. The tables were decorated with beads and black and gold decor, and the music kept everyone dancing. Prom King and Queen were **Stevie Daley & Julia Hill**.

Prom court included **Abby Ploof, Annie Wingate, Cassidy Ross, Joe Maselli, Mike Brown, and Kris Miller**.

Spirit Week

Day 1 - November 21, 2019

Class Day

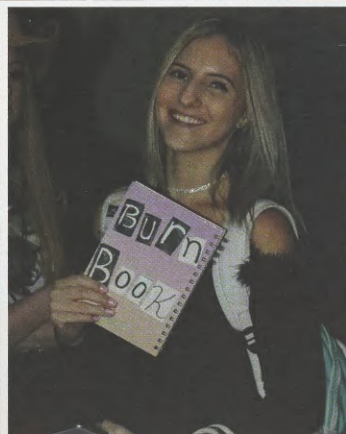

Each grade got to choose their own theme for this spirit day.

Grade 9: Disney/Movie Day

Grade 10: Sports Day

Grade 11: Hawaiian Day

Grade 12: Costume Day

Spirit Week

Day 2 - November 22, 2019

Comfy Day

Students advocated for Comfy Day with enthusiasm. Sweatpants, pajamas, and bath robes were all popular attire choices, and many students came wrapped in their favorite comfy blankets. There's nothing better than school in your comfy clothes!

Spirit Week

Day 3 - November 25, 2019

USA Day

Spirit Days are chosen by the students and USA Day has been on the calendar for the last few years. A lot of red, white, and blue was on display! There was even a real-life Statue of Liberty (Evy Miller-Nuzzo) and what's more American than that?

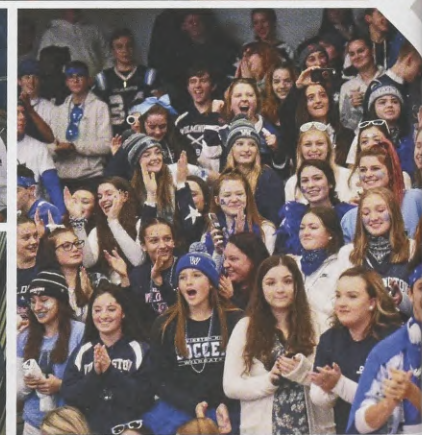

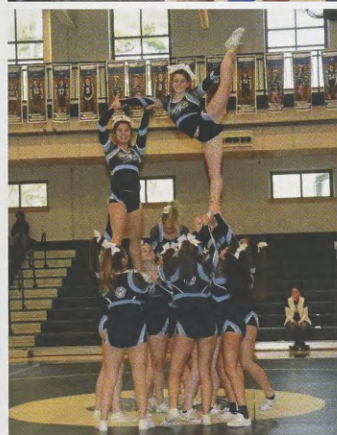

Spirit Week

Day 4 - November 26, 2019

Blue & White

The day before Thanksgiving break is always Blue & White Day, which might be the most popular Spirit Day each year! This year, the pep rally included a recap from fall sports' captains, a performance by Soundscape and the fall cheerleaders, and a lively tug-of-war between grades!

Flag Football

Tuesday, November 26th, 2019

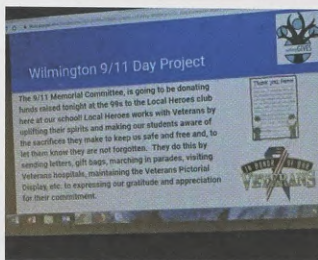

The junior and senior girls competed in a flag football game after school on the last day prior to Thanksgiving break. The junior girls, coached by Mr. Manchester, took an early lead. In the second half, the seniors, coached by Mr. Kligerman, made a dramatic comeback, resulting in overtime. Jenna Tavanese made the game-winning score, and the seniors won!

W2 Highlights

A lot of things happen during W2 throughout the year. Here's a few pictures of the highlights.

Special Olympics

May 1, 2019

The Year of Covid-19...

March 11, 2020 seemed like a regular school day. It was a half-day for students, and a teacher work day. By 3 pm, the building was quiet. At 11 pm, we received an email that indicated a resident of Wilmington was being tested for Covid-19 and that even though no students were known to have symptoms, schools would be closed on March 12 for cleaning. Schools were still closed for cleaning on March 13, and Dr. Brand informed us they would remain closed for two weeks, until March 27th. Then, Governor Baker ordered all schools in Massachusetts to close until April 7, which he later extended to May 4.

With school being closed, we missed a number of major spring events, including the WHS Culture Fest, Spring Fling, Talent Show, and Junior Prom. The spring athletic season has also been postponed. At the time of publication, it is unknown if we will return on May 4, and how Covid-19 will impact other end-of-year events such as senior week, senior prom, and graduation. With some extra space to fill, and a historically significant event upon us, we decided to ask you to tell us about your experience!

How are you feeling?

68% said, "Annoyed I can't hang out with friends, go to the movies, etc."

Almost half of students said they are glad we get some time off from school, and about a quarter said they are worried about getting sick.

Are your parents home with you?

55% said yes, they're working from home

22% said no, they have to go to work

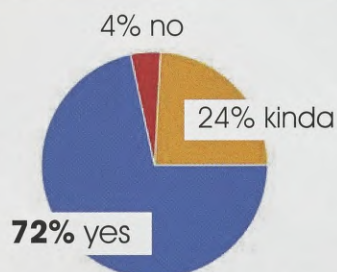

22% said yes, they're home even when things aren't shut-down

Are you working during the shut-down?

Of those students with a job, **39%** said yes

Are you practicing social distancing?

(social distancing = avoiding groups and staying home to avoid getting or passing on the virus)

Did you have an important event get cancelled?

Baseball tryouts
Dance competition
Junior prom
April vacation
Concert at the House of Blues
Northeast ComicCon
March Madness
Spring musical
Senior internship
College accepted students day

DECA competitions
School trip to Europe
Band concert

Life of a Quaranteen

by Tayla McDonald

A few weeks ago, the world was snoring
The same routine was getting boring
We'd go to class and do our work
While trying not to be a jerk
There surely was no time to chill
Our crazy lives were never still
We studied hard, we saw our friends
We waited for the short weekends
The days were long, with nights much longer
Which made our coffee immensely stronger
The exhaustion made our bodies ache
And all we wanted was a break

Suddenly, the world blew a fuse
And Covid-19 was breaking news
Now schools and parks and shops are closed
With all new safety rules imposed
"Six feet apart, stay in your home"
We might as well live in a dome
The world is full of fear and panic
As families are becoming manic
The biggest thing that no one knows
Is where the toilet paper goes
All plans are canceled, our lives are bent
This is definitely not what we meant

Juniors

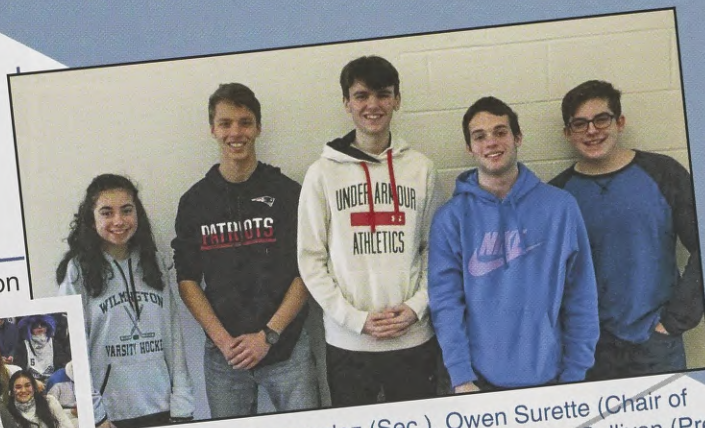

Class of 2021

To the Class of 2021.

We have now completed our 3rd year of high school. Our first 3 years have flown by with so many new experiences, and friendships. It was our first year being upperclassmen, and our first prom. We are now entering the best years of our life. As we move forward to the final stage of high school and soon to end a chapter in our life I hope we look back on good times and forward with excitement.

The 2020 Hourglass was produced by the yearbook staff at Wilmington High School in Wilmington, MA and printed by Walsworth Publishing. We would like to thank Alex Wilson and Cheryl Ball at Walsworth for helping us make our ideas come to life. This edition of the Hourglass is 168 pages. 240 copies were sold at an average price of \$85. There were several fonts used throughout the book, including *Cafe Script*, Zilla Slab, and AvantGuard.

The cover was designed in collaboration with a Walsworth Publishing artist, with input from Josh Rainone and Allison Antinarelli. Ms. Dickerson determined the color scheme, sticking with the traditional blue, adding a light blue, teal, green, and gray for highlights.

Photos were supplied via Prestige Portraits and Lifetouch, the Walsworth SnapApp, parents, students (including Evy Miller-Nuzzo, Carolyn Roney, Maeve Martins, Juliana Patrone, Jake Danieli, Josh Rainone, Brendan MacInnis), and Ms. Dickerson.

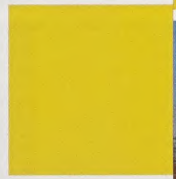

The staff would like to thank Caroline Gattuso in the Athletic Department, and WHS club advisors for their help gathering club pictures and information. Our special thanks go to Jim Vaiknoris for generously helping with the Fall athletic photos. We also want to thank Jenna Tavenese and Dan Fionte for providing photos, and Trish Volpe for her help with information gathering. We would also like to thank past advisors Jen Fidler, Julie Kelley, and Kate Durkin for their help and technical assistance.

We offer our warm congratulations to the Class of 2020. Good luck!

Smoke billows rise as fires ravage Australia. Wildfires burned over 28 million acres, killing dozens of people and destroying thousands of homes. Over a billion animals, including one-third of the koalas in New South Wales, died in the devastation and the smoke was visible from satellites in space.

The couple spoke publicly of the stress of negative media attention and lack of family privacy following the birth of their son, Archie, even suing a British tabloid. They planned to split their time between the U.K. and North America and move forward financially independent from the Crown in order to begin new charitable endeavors.

Named for the popular photo app, VSCO girls became a defining teen trend. The name also served as an identity of sorts for those who embraced it.

Orange Pride

The University of Tennessee mascot wears the shirt that became a national sensation after a story of a young boy bullied for wearing a hand-drawn UT paper on an orange shirt for his school's college day went viral. UT made his design into an official shirt that sold out within minutes, with profits going to an anti-bullying organization. The university offered him a four-year scholarship.

Cruising to the Rescue

Royal Caribbean's cruise ship Mariner of the Seas hosts victims of Hurricane Dorian in the Bahamas. Refugees received shelter, food and transportation after the city of Freeport was devastated by the hurricane in September. Royal Caribbean and many other companies donated to disaster relief organizations to rebuild the area.

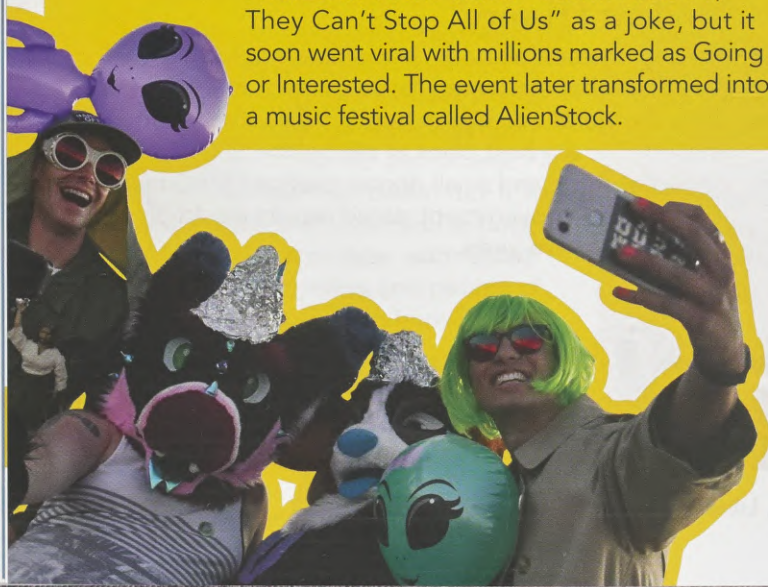

Desperate Admissions

Actress Felicity Huffman and her husband William H. Macy walk out of her sentencing hearing. Huffman and fellow actress Lori Loughlin were among the parents and coaches indicted in a college bribery scandal that alleged parents paid a consultant to alter test scores or attempted to pass their children off falsely as athletic recruits to gain admissions. Huffman was sentenced to 14 days in prison.

Desert Storm

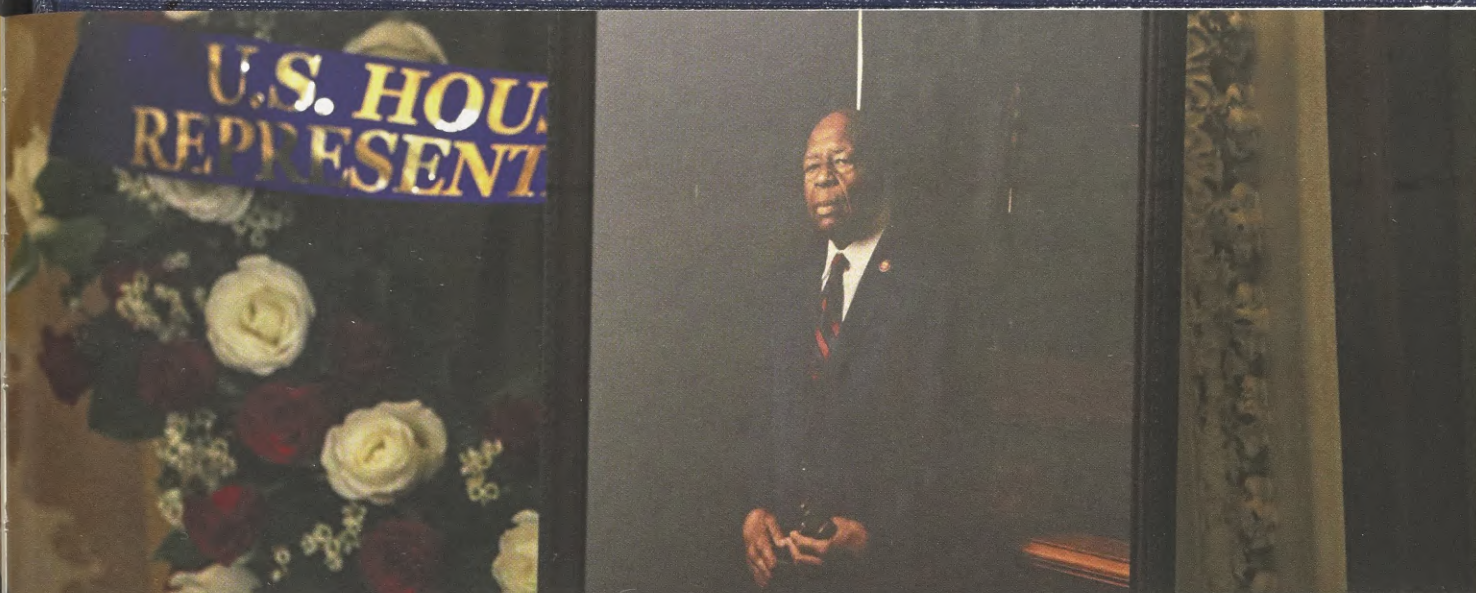

Extraterrestrial enthusiasts gather at the infamous Area 51 despite military warnings. College student Matty Roberts created a Facebook event called "Storm Area 51, They Can't Stop All of Us" as a joke, but it soon went viral with millions marked as Going or Interested. The event later transformed into a music festival called AlienStock.

Pawsitive News

After decades of Breed-specific Legislation (BSL), many cities begin lifting bans on pit bull breeds, meaning more get adopted from shelters into fur-ever homes. Hundreds of cities adopted BSL beginning in the 1980s when pit bulls were portrayed as dangerous and aggressive, sometimes banning dogs that even had a resemblance to the breed. As residents, animal advocacy groups and dog owners spoke up, the tide of public opinion began to shift.

A Life Remembered

U.S. Representative Elijah Cummings of Baltimore becomes the first African American lawmaker to lie in state at the U.S. Capitol. Cummings, who served in Congress since 1996, died in October from long-standing health complications. He was the son of sharecroppers who became a civil rights leader admired by both sides of the political aisle.

Brexit Stage Left

Workers remove the United Kingdom's flag outside of the European Parliament in Brussels, Belgium, as they officially leave the European Union (EU) on Jan. 31. The country first voted for Brexit, as Britain's exit from the EU was coined, in 2016 by a narrow margin, leaving the kingdom bitterly divided. The removal was delayed numerous times when Britain and the EU failed to reach a trade agreement that received enough votes in British Parliament to pass.
